

# CUMBERLAND FOOT & ANKLE CENTER

## Welcomes You...

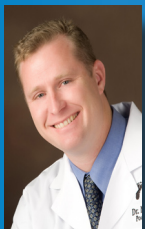

Welcome to the practice of Cumberland Foot and Ankle Center. We appreciate your interest in our practice and look forward to serving you.

Our physicians and staff are specialists who have devoted themselves to providing the best in advanced foot and ankle care. As podiatric physicians and surgeons, we recognize that patients come to us because of the limitations placed on them due to foot or ankle pain.

It is our goal to remove these limitations, to the greatest extent possible, giving patients a solid foundation to stay active and enjoy life.

All of our providers are trained in advanced diabetic foot and ankle care, pediatrics and sports medicine.

## OUR CARE PROVIDERS

Dr. Jonathan Moore is Board Certified, a member of the American Board of Podiatric Orthopedics and Primary Podiatric Medicine, Managing Partner at Cumberland Foot and Ankle Centers of Kentucky, President of Cumberland Foot Health Solutions and on the Board of Trustees – American Academy of Podiatric Practice Management. Dr. Moore received his Doctor of Podiatric Medicine Degree from the California College of Podiatric Medicine in 1999 and then went on to receive a Masters Degree in Education in 2001. He subsequently completed a three-year podiatric medical/surgical residency, including a one-year Diabetic Foot Fellowship, at the University of Texas Health Science Center. Dr. Moore is widely published on numerous foot and ankle related topics and serves on both professional and community boards. Dr. Moore resides in Somerset with his wife, Kim, and their three children, Gabriel, Audrey and Jonathan.

**Dr. Pamela Jensen-Stanley** is a Board Certified Wound Care Specialist and Board Certified by the American Board of Podiatric Orthopedics and Primary Podiatric Medicine. She is a graduate of the College of Podiatric Medicine and Surgery in Iowa and completed her residency at the prestigious University of Texas Health Science Center in San Antonio which specializes in all aspects of diabetic foot and wound care. Dr. Jensen-Stanley is also the Lower Extremity Specialist at Somerset Wound Care Center and Russell Co. Hospital Wound Care Center and is published on foot and wound care related topics. She resides in Somerset with her husband, Dallas, son Logan and daughter Sierra.

**Dr. Christopher Miller** received his Doctor of Podiatric Medicine Degree from the Ohio College of Podiatric Medicine in 2002. He did a three-year (PM+S) Podiatric Medical and Surgical residency at Mercy / University of Pittsburgh Medical Center. He resides locally with his family.

**Dr. Jamie Settles Carter**, a native Kentuckian having been born and raised in Mt. Vernon, attended Eastern Kentucky University for undergraduate studies and then completed her medical education at the Ohio College of Podiatric Medicine in Cleveland, Ohio. Dr. Carter completed a prestigious 3-year surgical residency training program at the Dayton Veterans Affairs Medical Center in Dayton, Ohio with a focus toward diabetic wound care and limb salvage. Dr. Carter is well trained in all aspects of foot and ankle surgery, however she is also well versed in the latest techniques and procedures for heel pain, diabetes, ingrown toenails, and all other common foot and ankle conditions.
